

### 3. PERSONAL ITEMS FOR STUDENT USE

The Personal Items Lists are available on our school website. Additional copies are available from our front office.

We have negotiated competitive prices for high quality materials through Campion Education, an Australian family-owned business. While you are not obliged to use our preferred supplier, we encourage you to consider supporting a local based company that provides quality products and service.

Your child will need to have the items listed in his/her possession each school day in order to maximise participation in the learning activities presented. It may be necessary to replace some items such as pencils throughout the year.

**Payment of Personal Items is to be paid directly to Campion Education.**
