

Service Schedule

The role of a service provider working in the school is to contribute to positive educational outcomes for the student, in a planned, collaborative manner.

Important information for service providers:

Services provided enhance educational outcomes and goals for students and link to a student's existing Documented Plan.

In considering the school's duty of care towards all staff and students, principals can reconsider access to a provider if:

- *the service no longer supports the student's educational needs;*
- *the service is impacting other students, staff or school operations;*
- *the service is unreliable or breaches the Service Schedule; or*
- *they have concerns for the provider's conduct or service quality.*

All provider staff must wear identification on school sites at all time.
