

Dear Parents and Carers

We are running a Pictureproducts melamine plate activity to help commemorate our Inaugural year and we'd love you to join in. Your child's unique artwork is transformed into durable, high-quality melamine Pictureplates that will last a lifetime for only \$25. A sample plate is on display in the front office.

Both decorative and useful, Pictureplates are simply beautiful. Children love eating off their very own Pictureplates, and as the years go by and they grow up and have their own families, their Pictureplates will bring back memories of those happy childhood years.

Your child can use photos, markers, paints and handprints to create their artworks, and you can have as many copies made as you'd like, so it's a fantastic gift idea for grandparents and other family members. What will your child draw?
